It's a pleasure to introduce you to our Sixth Form prospectus for the September 2026 cohort. Within this booklet, you will discover a wealth of information that will help learners make the correct decision for the next stage of their learning pathway.

It feels like yesterday when the learners started here as Year 7 pupils back in September 2021. Nobody knew what was on the horizon and the pandemic stopped them from enjoying the usual first year experiences. Despite this, the cohort succeeded in making the most of their school career, developing into stronger individuals during the journey.

By returning to Ysgol Maes Garmon, our learners will join a long list of successful students who have continued their education at universities all over the United Kingdom, as well as those who pursued employment on completing their Advanced Level courses. The fact that our students are fluent Welsh users is a huge advantage, and they will continue to pride yourselves in the fact that they are bilingual and role models for our younger learners.

Ysgol Maes Garmon's A level results are consistently high and we are very proud of our examination success. I can assure you that as individuals our learners will be given the best possible support as they navigate their A levels.

I wish the class of #2026 all the very best for their GCSE exams. I look forward to welcoming them back in September 2026!

Mae Fforwm y 6ed Dosbarth yn fodelau rôl sydd wedi eu dewis drwy broses benodol o gyfweiliadau. Lleoliad Prifysgolion/ University Destinations

Mae ein myfyrwyr fel arfer yn dewis astudio mewn Prifysgolion yng Nghymru neu yn Lloegr, ac mae'r ganran yn amrywio o flwyddyn i flwyddyn. Mae'r data hwn yn dangos nad yw astudio Safon Uwch yn Ysgol Maes Garmon yn atal myfyrwyr rhag cael eu derbyn i astudio mewn prifysgol y tu allan i Gymru.

Our students normally choose to study at Universities in Wales or England, and the percentage fluctuates year by year. This data shows that studying A Levels at Ysgol Maes Garmon does not prevent students being accepted to study at a university outside Wales.

'Mae rhai pobl yn meddwl bod astudio Safon Uwch trwy'r Gymraeg am effeithio ceisiadau prifysgol mewn ffordd negyddol. Mae hynny'n ystrydebol a mor bell o'r gwirionedd!'

'Some people think that studying A levels through the medium of Welsh may affect university applications in a negative way. That is so stereotypical and far from the truth!'

Yn ystod fy amser yn y 6ed Dosbarth, roeddwn yn rhan o raglen SEREN Fflint a Wrecsam ac rwyf wedi derbyn cyfleoedd a phrofiadau gwerthfawr a chyffrous iawn.

Mae'r ymweliadau â phrifysgolion Lerpwl, Caerhirfryn a Birmingham wedi fy nghyflwyno i fywyd yn y brifysgol, ynghyd ag amrywiaeth o bynciau addysg uwch. Yn ogystal â hyn, cefais y cyfle i fynychu Cynhadledd Ymchwilwyr Ifanc Gogledd Cymru ym Mhrifysgol Bangor, ble cyflwynais fy ngwaith. Fel myfyriwr sydd yn awyddus i astudio meddygaeth yn y brifysgol, un o uchafbwyntiau'r cynllun oedd bod yn rhan o sesiynau SEREN yn Ysbyty Maelor. Cefais fy nghyflwyno i wahanol agweddau, realtioedd a newyddion meddygol yn wythnosol gan feddygon profiadol iawn a chyfle i ymarfer sgiliau clinigol. Derbyniais adborth a chymorth defnyddiol am fy nghyflwyniadau wythnosol, fy natganiad personol, y prawf UCAT a sut i baratoi ar gyfer cyfweiliadau meddygol.

Ar ôl cwblhau sesiynau Blwyddyn 12, derbyniais wahoddiad i wneud wythnos o brofiad gwaith yn yr ysbyty. Roedd yn brofiad bythgofiadwy a chadarnhaodd fy angerdd tuag at feddygaeth. Heb gynllun meddygol SEREN buasai cael profiad gwaith o'r fath yn anodd iawn a theimlaf fy mod wedi bod yn ffodus iawn.

Rwyf hefyd yn ymwybodol iawn o'r gwaith arbennig sydd yn cael ei wneud ar gyfer paratoi myfyrwyr i ymgeisio ar gyfer Rhydychen a Chaergrawnt a'r amrywiaeth o ysgolion haf sydd ar gael. Yn sicr, mae'r cynllun SEREN wedi fy nysgu i ehangu fy ngorwelion ac i wthio fy hun.

Rhaglen SEREN Programme

During my time in the 6th form, I was a part of the Flint and Wrexham SEREN programme and received very valuable and exciting opportunities and experiences.

Visits to Liverpool, Lancaster and Birmingham universities introduced me to university life, along with a variety of higher education subjects. I also had the opportunity to attend the North Wales Young Researchers Conference at Bangor University, where I presented my work.

As a Student who is keen to study medicine at university, one of the highlights of the programme was being part of SEREN sessions at Wrexham Maelor Hospital. I was introduced to different aspects, realities and medical news weekly by very experienced doctors and had an opportunity to practice clinical skills. I received useful feedback and support about my weekly presentations, my personal statement, the UCAT test and how to prepare for medical interviews.

After completing the Year 12 sessions, I was invited to have a week's work experience at the hospital. It was an unforgettable experience and confirmed my passion for medicine. Without SEREN's medical programme it would have been very difficult to get such work experience and I feel very fortunate. I am also very aware of the excellent work that is being done to prepare students to apply for Oxford and Cambridge and the variety of summer schools that are available.

The SEREN programme has definitely taught me to broaden my horizons and to push myself.

Os byddwch yn dymuno mynd i brifysgol neu goleg ar ddiwedd eich cyfnod yn y Chweched Dosbarth, byddwch angen gwneud cais arbennig trwy UCAS. Mae eu gwefan hefyd yn cynnwys gwybodaeth ar gyfer myfyrwyr sydd eisiau astudio mewn conservatoires neu chwilio am brentisiaeth.

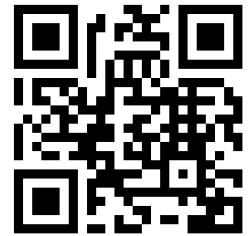

Bydd Tîm Bugeiliol y Chweched Dosbarth yn eich helpu i gael y gorau o'r gwasanaeth hwn. Gwahoddir myfyrwyr BI.12 a'u rhieni a gofalwyr i noson wybodaeth yn rhymor yr haf i drafod y broses UCAS.

If students wish to go to university or college at the end of their time in the Sixth Form, they will need to make an application through UCAS. Their website also contains information for students wishing to study at a conservatoire or who are seeking an apprenticeship.

UCAS is the company responsible for dealing with university and college applications, and the Sixth Form Pastoral Team will be able to help you get the most out of this service. Year 12 students and their parents and carers are invited to an evening in the summer term to discuss the UCAS process.

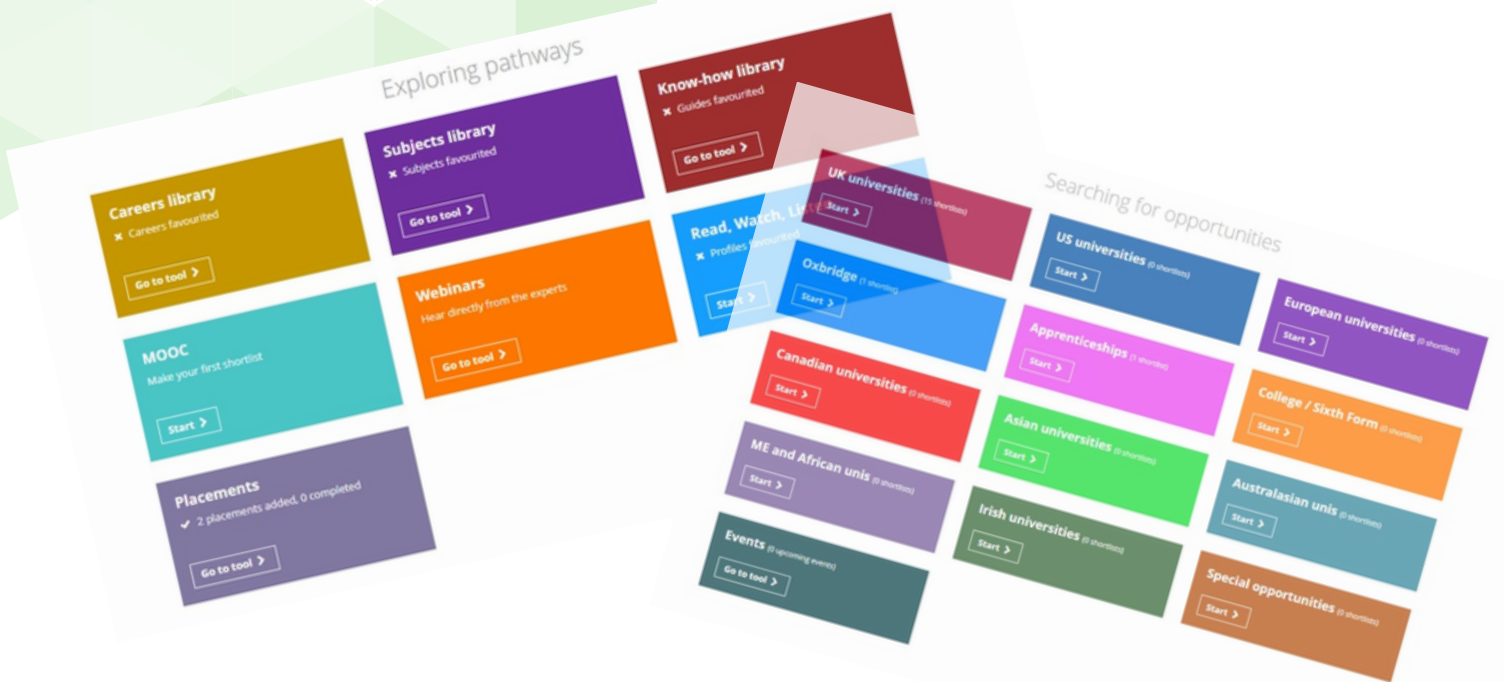

Caiff holl fyfyrwyr Blwyddyn 12 a 13 eu cofrestru ar Unifrog. Mae'r platfform hwn yn galluogi myfyrwyr i gymharu pob cwrs prifysgol, pob prentisiaeth, a chyrsgiau Addysg Bellach - yna ymgeisio'n llwyddiannus.

Mae Unifrog yn helpu myfyrwyr gyda'r broses ddilyniant gyfan - o archwilio eu diddordebau, i gofnodi'r pethau gwyh y maent wedi'u gwneud, i ddod o hyd i gyfleoedd addysg a hyfforddiant, i ddrafftio eu ceisiadau. Mae hefyd yn galluogi athrawon i gefnogi myfyrwyr i reoli'r broses dilyniant yn effeithiol.

All Year 12 and 13 students are enrolled on Unifrog. This platform allows students to compare every university course, every apprenticeship, and Further Education courses - then apply successfully.

Unifrog helps students with the whole progression process - from exploring their interests, to recording the great things they've done, to finding education and training opportunities, to drafting their applications. It also allows teachers to support students to manage the progression process effectively.

**Testimonies from some former
Ysgol Maes Garmon Sixth
Formers...**

Roeddwn i'n fyfyrwr balch o'r Chweched Dosbarth yn Ysgol Maes Garmon o 2019-21. Er bod Covid-19 wedi amharu ar fy addysg, does gen i ddim ond atgofion melys o fy amser yn y Chweched Dosbarth. Wnes i ddim meddwl dwywaith am aros ymlaen ym Maes Garmon i'r Chweched Dosbarth. Roedd gen i griw gwych o ffrindiau, a pherthynas ardderchog gyda'r athrawon oedd wedi datblygu dros y blynyddoedd. Roedd hyn o fantais fawr i mi, ac fe wnaeth y berthynas wych gyda'r athrawon, a maint y dosbarthiadau bach, fy ngalluogi i ragori yn fy addysg dros y ddwy flynedd. Yn fy mlwyddyn olaf, cefais y pleser o fod yn brif ddisgybl yr ysgol; daeth y rôl â chyfrifoldeb mawr ond rhoddodd fanteision mawr i mi megis y gallu i siarad yn hyderus o flaen cynulleidfa sydd bellach yn ddefnyddiol i mi yn fy nghwrs prifysgol.

I was a proud student of Ysgol Maes Garmon's Sixth Form from 2019-21. Although Covid-19 did affect my education, I have nothing but fond memories of my time in the Sixth Form. I didn't think twice about staying on for Sixth Form at Ysgol Maes Garmon. I had an amazing set of friends, and fantastic relationships with the teaching staff that had developed over the years. This was a huge advantage, as the excellent relationship with teachers and the small class sizes allowed me to excel in my education over the two years. In my final year, I had the pleasure of being the school's head pupil. There was a massive responsibility with this role, but it gave me a huge advantage of allowing me to speak with confidence in front of audiences, which has been useful in my university course.

'Siaradwch efo myfyrwyr sydd yn y Chweched Dosbarth rŵan, yn enwedig rhai sy'n astudio

pynciau sydd o ddiddordeb i chi'. 'Speak to the students who are currently in the Sixth Form, especially those who are studying subjects that are of interest to you.'

Fy enw i yw Dylan Powell. Astudiais Hanes, TGCh a Busnes tra oeddwn i yn Chweched Dosbarth Ysgol Maes Garmon. Y prif reswm dros aros oedd fy mod eisoes yn adnabod yr athrawon ac yn ymddiried ynddynt i allu cael y gorau ohonof i. Dyma oedd y rhan orau o'r Chweched Dosbarth i mi, gan fod y dosbarthiadau llai gydag athrawon yr oeddwn eisoes yn eu hadnabod yn gwneud dysgu'n llawer haws gan eu bod yn gallu rhoi mwy o amser a sylw i bob myfyriwr. Ar ben hyn, mae'r ysgol yn gwneud gwaith gwyh o'ch paratoi ar gyfer y camau nesaf ar ôl i chi orffen y Chweched Dosbarth. O gychwyn Blwyddyn 12, roedd yr ysgol yn cynnig llawer o wybodaeth am yr hyn sydd ar gael i chi ar ôl lefel A. Roedd yr ysgol yn gyorthwyol iawn wrth fy helpu i ddewis fy mhwc prifysgol trwy annog fi i ystyried beth roeddwn i eisiau ei wneud a ble y gallwn ei wneud. Roedd y profiad gwaith, ffeiriau prifysgol a gwersi ymchwil yn *Bagloriaeth Cymru* i gyd yn ddefnyddiol wrth fy helpu i gymryd y cam nesaf i'r brifysgol

My name is Dylan Powell. I studied History, ICT and Business while I was at Ysgol Maes Garmon Sixth Form. My main reason for staying was that I already knew the teachers and trusted them to be able to get the best out of me. This was the best aspect of Sixth Form for me, as the smaller classes with teachers I already knew made learning much easier as it allowed the teachers to give each student more time and attention. On top of this, the school does a great job of setting you up for the next steps after you finish Sixth Form. From the start of year 12, the school offered plenty of information about what is available to you after A-levels. The school were very helpful in helping me pick out my university by encouraging me to consider what I wanted to do and where I could do it. The work experience, university fairs and research lessons in Welsh Baccalaureate were all useful in helping me take the next step to university

Meddyliwch am ble y bydd y pynciau rydych chi'n eu dewis yn mynd â chi. Gofynnwch i'ch hun a fydddech chi'n hapus defnyddio/astudio'r pwnc hwnnw i fynd. ymhellach mewn addysg a bywyd...

Think about where the subjects you are choosing will take you. Ask yourself would you be happy using/studying that subject to go further in education and life...

Cefais y fraith o astudio Celf, Cymraeg a Chemeg rhwng 2019 a 2021. Un o'r prif resymau dros aros yn Ysgol Maes Garmon oedd mod i'n adnabod fy athrawon yn dda ac roedd gen i barch mawr tuag atynt. Roeddwn i wrth fy modd yn rhedeg y Clwb Celf efo Elina, un o fy nghyfoedion, ac roedd cael bod yn fodel rôl i'r dysgwyr iau yn ffordd ardderchog o fagu hyder a gwella fy sgiliau cyfathrebu.

Un peth wnes i fwynhau tra yn y Chweched Dosbarth oedd cael bod yn rhan o'r Rhwydwaith Seren. Derbyniais gyngor ardderchog wrth ffurfio fy natganiad personol ar gyfer fy nghais i'r brifysgol, yn ogystal â chael cyfleoedd i wneud gweithgareddau allgyrsiol eraill o fewn y rhwydwaith.

Roeddwn i hefyd yn hoff o fedru mynd i'r dref yn achlysurol; roedd yn ddefnyddiol iawn medru nôl nwyddau ysgrifennu pan ro'n i angen, ac ambell baned o goffi, wrth gwrs!

Wedi pedair blynedd o astudio ym Mhrifysgol Caerdydd, rwyf bellach yn Ymchwilydd Gwleidyddol yn y Senedd.

I had the privilege of studying Art, Welsh and Chemistry between 2019 and 2021. One of the main reasons for staying at Ysgol Maes Garmon was that I knew the teachers well and I had a great deal of respect for them. I really enjoyed running the Art Club with Elina, one of my peers, and being a role model for the younger learners really helped me gain confidence and to improve my communication skills.

One thing I did enjoy when in the Sixth Form was being a part of the Seren Network. I received fantastic advice when forming my personal statement for my university application, as well as the chance to complete other extra-curricular opportunities within the network.

I also enjoyed occasionally going into town; it was useful to be able to fetch stationery when I needed to, as well as have the odd cup of coffee, of course!

Following four years of study at Cardiff University, I am now a Political Researcher in the Senedd.

'Beth bynnag yw eich pynciau, mae'n bwysig eich bod chi'n ymchwilio'n annibynnol er mwyn cryfhau eich dealltwriaeth o'r pynciau tu hwnt i waliau'r dosbarth. Mae gwneud hyn yn rhoi hwb enfawr i'ch datganiad personol ac mewn cyfweiliad.' 'Whatever your subjects, it's important to research independently so that you strengthen your understanding of the subject beyond the classroom walls. Doing this will give your personal statement a huge boost and in an interview.'

Ymunais ag Ysgol Maes Garmon fel trochwr o Ysgol Gynradd Rhos Helyg gan aros ymlaen i astudio fy nghysiaf Safon Uwch trwy'r Gymraeg rhwng 2017 a 2019. Mae'r gallu i astudio trwy gyfrwng y Gymraeg wedi bod yn bwysig i fy astudiaethau prifysgol a derbyniais nifer o ysgoloriaethau a bwrsariaethau sydd wedi arwain at gyfleoedd niferus. Erbyn hyn, rwy'n astudio cwrs PhD mewn Catalysis Heterogenaidd ym Mhrifysgol Caerdydd. Rydw i'n hynod falch o'r ffaith mod i wedi cwblhau fy holl addysg uwchradd trwy gyfrwng y Gymraeg dan arweiniad athrawon gwych.

I joined Ysgol Maes Garmon as a Welsh learner from Ysgol Rhos Helyg and stayed on to complete my A level courses through the medium of Welsh from 2017-2019. The ability to study through the medium of Welsh has been important to my university studies and I received many scholarships and bursaries that have led to numerous opportunities. I am now studying for my PhD in Heterogenic Catalysis at Cardiff University. I am so proud of the fact that I completed my secondary education through the medium of Welsh under the guidance of fabulous teachers.

Most students choose three subjects. You must choose three subjects across three different columns. Remember that everyone must follow the Advanced Baccalaureate units as part of their Sixth Form courses.

Yn wahanol i Loegr, mae'r cyrsiau Safon Uwch wedi eu rhannu i ddwy ran: Uwch Gyfrannol (BI.12) a Safon Uwch (BI.13). Bydd myfyrwyr yn eistedd arholiadau ym ml. 12 a 13. Gradd A yw'r radd uchaf sy'n cael ei dyfarnu yn yr Uwch Gyfrannol.

In contrast to England, A-Level courses in Wales are split into two parts- Advanced Subsidiary (Yr 12) and Advanced Level (Yr 13). Students will sit exams in years 12 and 13. The highest grade awarded for Advanced Subsidiary courses is A.

Bob blwyddyn rydym yn teilwra ein colofnau opsiynau i anghenion ein myfyrwyr blwyddyn 12. Rydym yn ymdrechu i gynnwys pob cyfuniad o bynciau, ond nid yw hyn bob amser yn bosibl.

Bydd holl fyfyrwyr blwyddyn 11 yn cael Ffurflen trwy e-bost i'w chwblhau erbyn 26.2.2026. Bydd y wybodaeth hon yn cael ei defnyddio i gynhyrchu colofnau opsiynau pwrpasol ar gyfer y garfan.

Every year we tailor our option columns to the needs of our year 12 students. We endeavor to accommodate all combinations of subjects, but this is not always possible.

All year 11 students will be sent a Form via email to complete by 26.2.2026. This information will be used to produce bespoke option columns for the cohort.

A course will only run if sufficient numbers of students have opted to study the subject. It's important that you have a second option in the unfortunate circumstance that your first choice will not be running. Some subjects may run some of the Year 12 and 13 lessons at the same time. The school reserves the right to run a course or not.
